DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 28 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

3. As set forth by claim 28, the preamble recites both an apparatus and a method with the body of the claim reciting method steps. It is unclear as to whether or not applicant intends to claim the apparatus or the method. Correction is required.

Allowable Subject Matter

4. Claims 27 and 57-73 are allowed over the prior art of record.
